

**LETTER TO STUDENTS REGARDING
ACCREDITATION**

Notice of Intent to Change Accreditor

Dear Academy College Students,

Academy College is accredited by the Accrediting Council for Independent Colleges and Schools (ACICS). Our College recently became aware of concerns that surround ACICS. As a result, Academy College has voluntarily begun the accreditation process with a new institutional accreditor. We have identified the Accrediting Commission of Career Schools and Colleges (ACCSC), as our accreditor of choice. We have already submitted our Initial Application for Accreditation with ACCSC and have received our school identification number (073055).

We are committed to our students' educational goals and career aspirations. Students shouldn't anticipate any disruption with their educational journey. You will continue to receive updates as we navigate through the accreditation process.

ACCSC is recognized by the US Department of Education to offer accreditation of postsecondary, non-degree-granting and degree-granting institutions that are predominantly occupational, trade and technical career-driven. For more information on ACCSC, please visit their website at www.accsc.org.

Please don't hesitate to contact Steve Guell or Nancy Grazzini-Olson if you have any questions, comments or concerns.

Sincerely,

Nancy Grazzini-Olson, President
