Cape Air began operations in 1989, and currently includes services to such gorgeous destinations as Cape Cod, Nantucket, Martha's Vineyard, the Florida Keys, the Caribbean, and even exotic Micronesia. There are very few—if any—regional airlines that boast a more attractive service area.

Cape Air partners with major carriers American Airlines, United, and especially Jet Blue. Academy students have the opportunity to participate in Cape Air's Preferred hiring Gateway Program.

Students who wish to participate must have:

- ▲ A Private Pilot License and an Instrument Rating
- ▲ A 3.0 GPA at Academy
- ▲ Two letters of recommendation from professors at Academy College
